

## **First United Methodist Church of Leechburg**

**Greetings in the name of Jesus Christ our Risen Lord!**

**Hi Friends!**

**I pray that you are all staying in and staying healthy. If you need something or have prayer concerns, please call Terry or me.**

**Elizabeth and Michael have received authorization to move and will be leaving LA on Friday. They expect to be in Washington DC on April 1st. I appreciate your prayers for their safe journey.**

**Since our Sunday worship has been cancelled, please enjoy this message from our guest preacher, the Rev. Dr. Andrew P. Spore. This is your opportunity to experience the preaching and teaching that inspired my path to ministry.**

**Grace and Peace,  
Pastor Beverly**
