

First United Methodist Church of Leechburg

Dear Brothers and Sisters in Christ,

Our Re-Opening Task Force met via Zoom this past Wednesday to determine when to re-open the church for in-church services. This email is to let you know that we will be returning to in-church services beginning Sunday, January 24th, at 10:00am. Sunday school for ALL ages will start at 9:00am. As before, we ask that you wear your mask and that you social distance.

I will not be attending the Sunday services in person as a precaution to ensure my health to carry on my duties in the office during the week. However, I will attend the services on Zoom. Therefore; in my absence, there is a need for a volunteer to operate the laptop for the PowerPoint slides. I will continue to prepare the slides for the services (you don't have to worry about that)!

Liz Bucholz has volunteered to keep track of those attending the services so that in the case we need to contact you due to a COVID alert. We still need volunteers to wipe down the pews after each service, as well as the classroom areas after classes.

For the time being... please spread the word to those you see! There are many who do not get email. There WILL BE a letter/newsletter being mailed out to everyone on Tuesday morning (the 19th). If anyone has ANYTHING they would like to have in this newsletter...I will need your information NO LATER than Sunday, January 17th (this coming Sunday). Remember... we will be scheduling pre-Lent activities (*however, know that everything is subject to change at any time!*)

**Blessings,
Terry**
